Welcoming the Burmese Community to Logan

25 January 2008

The Logan Central PCYC was the setting of a special event where Craig Emerson, Member for Rankin participated in a welcoming ceremony for the growing Burmese community.

During the ceremony attended by community members, settlement service officers from Access Inc and many from the Logan Burmese community Mr Emerson said, 'The number of Burmese people coming to Logan City is increasing and we welcome you into our community. 'With 108 refugees arriving from Burma in the last year and 36 coming in next month, he hopes the Burmese community will embrace Logan's lifestyle and share their culture, in particular their great tasting food.'
